## PROFESSIONAL SERVICES

---

- **Mathematics Continued Conference (MCC):** Organizer Oct. 22, 2022  
The MCC at UConn is aimed at undergraduates to give a glimpse of what graduate school and math research is like.

## CLUBS/LEADERSHIP

---

- **UConn Number Theory Reading Group (NTRG):** Member Summer 2020 –Present  
*We study various topics related to number theory, such as  $p$ -adics, class field theory (I gave a talk on the Lubin-Tate formal group laws), and we are currently reading some research papers on unit groups. We are learning about how to compute unit groups in cubic fields and will try to expand upon related research.*
- **AWM Baruch Student Chapter:** President/Founder Fall 2019 –Spring 2020  
*Started the Association for Women in Mathematics (AWM) Student Chapter at Baruch, organized events, shared knowledge and experience in math, research, math study abroad programs, internships, and mathematical jobs in industry.*
- **Baruch Traders Club:** Trader Spring 2017 –Spring 2018  
*Gained experience and knowledge of financial markets via trading simulations and trading seminars. Competed in various Baruch and intercollegiate trading competitions.*
